1. Purpose and scope / Proposito y alcance

English. Defines synthetic guidance for employment certificates, general HR policy questions, evidence limitations and sensitive human escalation.
Español. Define orientacion sintetica para constancias laborales, preguntas generales de politica, limites de evidencia y escalacion humana sensible.

2. Service catalog / Catalogo de servicios

Code	Service	Priority	First response	Resolution	Queue
DOC-01	Employment Certificate	Low	16 h	80 h	HR Documents
POL-01	General HR Policy Guidance	Low	16 h	80 h	HR Policy
ESC-01	Sensitive HR Escalation	Critical	2 h	8 h	Employee Relations

3. Employment certificates / Constancias laborales

English. Use DOC-01 for a synthetic employment-certificate request. The agent may explain the request process but must not certify real employment, salary, performance or legal status.
Español. Utilice DOC-01 para una solicitud sintetica de constancia laboral. El agente puede explicar el proceso, pero no debe certificar empleo real, salario, desempeno ni situacion legal.

4. General policy guidance / Orientacion general

English. Use POL-01 when the configured knowledge sources do not contain enough evidence for a general HR policy question and human review is appropriate.
Español. Utilice POL-01 cuando las fuentes configuradas no contengan evidencia suficiente para una pregunta general de politica y sea apropiada una revision humana.

5. Evidence standard / Estandar de evidencia

- Answer policy questions only from retrieved, configured sources.

- Responda preguntas de politica solo con fuentes configuradas y recuperadas.
- Cite the document title and relevant section or page when available.
- Cite el titulo del documento y la seccion o pagina relevante cuando este disponible.
- If evidence is missing, say so explicitly and do not invent an answer.
- Si falta evidencia, indiquelo expresamente y no invente una respuesta.

6. Sensitive HR escalation / Escalacion sensible

English. Use ESC-01 for harassment, discrimination, retaliation, threats, confidential workplace concerns, individual employee-relations matters, restricted-data requests or an explicit request to speak with a person.
Español. Utilice ESC-01 para acoso, discriminacion, represalias, amenazas, inquietudes laborales confidenciales, asuntos individuales de relaciones laborales, solicitudes de datos restringidos o una peticion expresa de hablar con una persona.

7. Escalation behavior / Comportamiento de escalacion

- Acknowledge the concern respectfully and do not investigate or assign blame.
- Reconozca la inquietud con respeto y no investigue ni asigne culpa.
- Request only a brief non-sensitive summary and synthetic contact details.
- Solicite solo un resumen breve no sensible y datos de contacto sinteticos.
- If immediate safety is at risk, advise contacting local emergency services or the applicable on-site emergency channel. Do not invent a phone number.
- Si existe riesgo inmediato para la seguridad, aconseje contactar servicios de emergencia locales o el canal aplicable del sitio. No invente un numero telefonico.

8. Restricted information / Informacion restringida

Restricted category	Agent behavior
Salary, bonus or payroll	Do not request, retrieve, infer, disclose or store
Individual performance evaluations	Do not request, retrieve, infer, disclose or store
Individual medical information	Do not request, diagnose, summarize or store
Passwords or authentication codes	Never request or accept

9. Ticket confirmation rule / Regla de confirmacion

English. Before any ticket is created, summarize the non-sensitive request and obtain an explicit confirmation in a separate user message. Consent to contact is not confirmation to create a ticket.
Español. Antes de crear cualquier ticket, resuma la solicitud no sensible y obtenga confirmacion explicita en un mensaje separado. El consentimiento de contacto no es confirmacion para crear el ticket.

Never claim that a ticket exists unless the workflow returns Success = true and a non-empty TicketNumber.
