Effective date	**Review date**	**Classification**
2026-10-09	2027-10-09	Synthetic - public portfolio

IMPORTANT: This document is fictional and created only for a portfolio demonstration. It is not a Siemens Energy policy and must not be used for real employment decisions.

1. Purpose and scope / Proposito y alcance

English. Defines synthetic enrollment and dependent-management rules used by the portfolio agent.
Español. Define reglas sinteticas de inscripcion y administracion de dependientes utilizadas por el agente del portafolio.

2. Enrollment windows / Periodos de inscripcion

Event / Evento	Window / Plazo	Service code / Codigo
New hire enrollment	30 calendar days from start date	BEN-01
Qualifying life event	30 calendar days from event date	BEN-01
Add or update dependent	Within the applicable enrollment window	BEN-02

English. Examples of qualifying life events in this demonstration include marriage, birth or adoption, and loss of other coverage.
Español. Los ejemplos de eventos de vida calificables en esta demostracion incluyen matrimonio, nacimiento o adopcion y perdida de otra cobertura.

3. Dependent updates / Actualizacion de dependientes

- Use BEN-02 - Dependent Update to add, remove or correct a dependent record.
- Utilice BEN-02 - Dependent Update para agregar, eliminar o corregir un registro de dependiente.
- Provide only a non-sensitive summary, the event category and event date.
- Proporcione solo un resumen no sensible, la categoria del evento y la fecha del evento.
- Do not upload real identity documents to this portfolio environment.
- No cargue documentos de identidad reales en este entorno de portafolio.

4. Service levels and routing / Niveles de servicio y enrutamiento

Service	Priority	First response	Resolution	Queue
BEN-01 Enrollment or Change	Standard	8 hours	40 hours	Benefits
BEN-02 Dependent Update	Standard	8 hours	40 hours	Benefits

5. Confirmation and effective dates

English. A submitted request does not guarantee eligibility or immediate coverage. HR Services confirms whether the event, documentation and timing meet the synthetic plan rules.
Español. Una solicitud enviada no garantiza elegibilidad ni cobertura inmediata. HR Services confirma si el evento, la documentacion y el plazo cumplen las reglas sinteticas del plan.

6. Privacy rules / Reglas de privacidad

- Never request salary, payroll, bank or payment information.
- Nunca solicite informacion salarial, de nomina, bancaria o de pagos.
- Never request individual medical diagnoses or treatment details.
- Nunca solicite diagnosticos medicos individuales ni detalles de tratamiento.
- Use only synthetic names and @example.com email addresses in the portfolio.
- Use solo nombres sinteticos y correos @example.com en el portafolio.

7. Examples / Ejemplos

Example A - add a dependent

English. For a dependent added after a qualifying life event, use BEN-02 and provide a brief summary without real personal documents.
Español. Para agregar un dependiente despues de un evento de vida calificable, utilice BEN-02 y proporcione un resumen breve sin documentos personales reales.

Example B - enrollment guidance

English. For a general enrollment or coverage change request, use BEN-01. The Benefits queue validates eligibility.
Español. Para una solicitud general de inscripcion o cambio de cobertura, utilice BEN-01. La cola Benefits valida la elegibilidad.

8. Source boundaries / Limites de la fuente

English. This document does not define premiums, taxable benefit values, insurer contracts, country-specific benefits or individual eligibility decisions.
Español. Este documento no define primas, valores fiscales, contratos de aseguradora, beneficios especificos por pais ni decisiones individuales de elegibilidad.

When evidence is insufficient, do not invent coverage. Offer a Benefits request or human review.
